

The image shows a detailed cadastral map of a rural area in Italy, likely the Po Valley. The map is oriented vertically and features a grid system for property boundaries. Various land parcels are outlined and labeled with numbers such as 0.1, 0.2, 0.3, 0.4, 0.5, 0.6, 0.7, 0.8, 0.9, 1.0, 1.1, 1.2, 1.3, 1.4, 1.5, 1.6, 1.7, 1.8, 1.9, 2.0, 2.1, 2.2, 2.3, 2.4, 2.5, 2.6, 2.7, 2.8, 2.9, 3.0, 3.1, and 3.2. Specific areas are highlighted with different patterns: a yellow/orange area in the top right, a green area in the bottom left, and a blue area in the bottom right. Several roads and paths are marked with dashed lines and labeled: 'AGRICOLTURA VERDE', 'VITIGNO', 'STRADA DEL PO', 'CANE', 'SDOBBA', 'ANNOVA', and 'ricreativa'. A blue dashed line runs diagonally across the map, starting from the top left and ending near the bottom right. A blue box in the bottom left corner contains the text 'art. 2 L.R. 13 novembre 2006, n. 22'.

This geological map of the Trieste area, Italy, provides a detailed view of the region's geological structure and topography. The map is oriented with North (N) at the top. Key features include:

- Geological Units:** The map shows several geological units, some labeled with letters and numbers. These include:
 - Units labeled with 'I' (e.g., I.1, I.2, I.3, I.4, I.5, I.6, I.7, I.8, I.9, I.10, I.11, I.12, I.13, I.14, I.15, I.16, I.17).
 - Units labeled with '2' (e.g., 2.1, 2.2, 2.3, 2.4, 2.5, 2.6, 2.7, 2.8).
 - Unit labeled '3'.
- Topography:** Contour lines indicate elevation levels, with values ranging from 0.0 to 2.7 meters. A dashed line labeled 'LIDO' marks a coastal or embankment area.
- Human-made Structures:** The map includes several man-made structures, such as roads, railroads, and buildings, represented by various symbols and hatching patterns.
- Regional Labels:** The map includes labels for the "REGIONE AUTONOMA FRIULI VENEZIA GIULIA" and "TRIVENETO".
- Scale:** A scale bar indicates distances up to 1 kilometer.
- Date:** The map is dated "Trieste, settembre 2007".

The figure is a geological cross-section diagram with the following features:

- Legend:**
 - Area infrastrutturate**: Shaded green area representing infrastructure zones.
 - RUNTA DEL BECCO**: Labeled near the bottom left.
 - STRADA**: Labeled near the top right.
- Elevation Contours:** Lines labeled with values such as -0.2, -0.3, -0.4, -0.5, -0.6, -0.7, -0.8, -0.9, -0.1, -0.2, -0.3, -0.4, -0.5, -0.6, -0.7, -0.8, -0.9, -0.0, and 0.0.
- Vertical Scale:** A vertical scale bar on the left indicates elevations from -0.9 to 0.0.

The figure is a map of the administrative boundaries of the town of Dividente. The town is located in the northern part of the Veneto region, Italy. It is bounded by several other municipalities: to the north by Cittadella, to the east by Montebelluna, to the south by Pieve di Cadore, and to the west by other smaller towns. The town itself is depicted as a blue polygon. A dashed line indicates the provincial boundary. The map also shows various roads and geographical features.

Dividente amministrativamente appartiene al Comune di Cittadella.

Dividente administratively belongs to the Municipality of Cittadella.

A detailed map of a coastal area, likely a river mouth or inlet, showing a grid of roads and various geographical features. A prominent blue line traces a path through the area, starting from the bottom right and moving towards the top left. Key features include:

- A lighthouse located near the top center.
- A power plant situated on the right side.
- Several labeled points along the coastline and inland areas:
 - ~1.2, ~1.3, ~1.4, ~1.5, ~1.6, ~1.7, ~1.8, ~1.9, ~2.0, ~2.1, ~2.2, ~2.3, ~2.4, ~2.5, ~2.6, and ~2.7.
- Labels for "POWER PLANT" and "ROCK ROLL ISLAND".
- Arrows indicating direction and flow paths.
